

Dear Neighbors:

As you know, we are demolishing our main building on Hilgard Avenue. The process will take approximately 120 days from April 22.

We will follow all of the noise and dust-abatement rules. But we will be especially vigilant and responsive to your special needs.

You can leave questions and requests by completing this form and leaving it in our mail slot at the Clerk's office.

We have no specific plan for the site after its demolition. We would be interested in your ideas.
